MEET THE CHARACTERS

TOM

After a calamitous first meeting in Central Park leaves piano cat grifter Tom out of work, he spots Jerry, the very mouse that blew his cover, living it up in a high rise New York City luxury hotel. Revenge suddenly seems within Tom's grasp when he is hired to rid the Royal Gate of its unwanted rodent resident just days before hosting the wedding of the century.

JERRY

Cute, clever and cunning as ever, Jerry is on a mission to find the perfect mouse house for himself when he stumbles upon Tom playing piano for cash in New York's Central Park. After giving Tom the slip, Jerry sets himself up in the swankiest hotel in town, the Royal Gate, helping himself to its finest amenities...until Tom shows up to take him down—and out.

SPIKE

Spike, a gruff bulldog, is man's best friend—and that man is the groom in the high society wedding being held at New York City's luxurious Royal Gate Hotel. But no pomp and circumstance will keep him from creating a stir—or a tornado—to get at Tom.

TOOTS

Sophisticated yet deceptively well-mannered, pretty kitty Toots arrives at the Royal Gate Hotel in the arms of a high society, social influencer bride. But Toots isn't above socializing herself—with Tom—or getting her claws out when she spots Jerry.

MEET THE CHARACTERS

BUTCH

Leader of the local alley cat gang, Butch must have seen every gangster film of the last five years, as he has a keen grasp of both the lexicon and the nuance of street talk. When he detects Tom in his territory, he gathers his gang to force him out, but Tom is one step quicker and a hair cleverer. That is, of course, until they meet again at the local animal rescue station.

PIGEON

Pigeon is a city rapper on his way up. Part of a trio, this closet crooner is known for stealing both the spotlight and the hearts of his fans.

MALCOLM & CECIL

Both critical members of the wedding-of-the-century party, Malcolm and Cecil are two experienced showmen with thespian roots bleeding through every line. Sophisticated beyond compare, these elephants—though neither bride nor groom—are certain they're the stars of the show.

GOLDIE

Goldie swims happily atop the Royal Gate Hotel general manager's desk, silently mocking the events manager, Terrance, while developing an instant affinity for his new temp, Kayla—even when she hires Tom to flush out unwanted guest Jerry.
